

7. Childrearing Support

●Children's medical care

- Subsidizes medical expenses paid when a child visits a medical institution.
- Registration is required to receive the subsidy.

●Childcare facilities & Kindergartens

- Childcare facilities and Kindergartens are available for children who have not yet entered elementary school.
- For more information, please check the website of Ageo City Childcare Division.

●To enroll your children in elementary and/or junior high schools

- If a child who is registered in Ageo as a non-Japanese resident wishes to enter elementary or junior high school, a request must be made by their parent.
- Japanese language instructors are dispatched to students who need assistance in understanding Japanese.
